The image shows a large, multi-story brick building with a prominent steeple and a smaller dome on the right side. A red line is drawn across the roofline, starting from the steeple, going down the side of the building, and then across the roof. Two red arrows point from the line: one labeled 'Included' points to the left, and another labeled 'Not-Included' points to the right. The building has a grey roof and several windows. In the foreground, there is a parking lot with a few cars and a stop sign on a pole.
